

Hayat Marble Factory Company
مصنع شركة حياة للرخام

Since 1958

ABOUT US

Started business back in 1958 which gives it , to date fifty five years in marble business.

HMC has grown gradually with steady steps situating it amongst the leading marble companies in Kuwait and the region

WE'RE HIGH TECH NOT HIGH COST

A sophisticated hi-tech computerized numerical controlled machines for cutting , drilling & edge polishing

HMC is situated in shulwaikh industrial Area at a 5625M2.

OUR SERVICES ARE WITHIN OUR LARGE CAPABILITIES

Marble, granite & limestone imported from different part of the world can be found at HMC at top quality in blocks , slabs and cut to size for architectural projects , special working cladding and flooring throughout the state of Kuwait including commercial and residential complexes private villas hotels medical facilities government institutions and palaces

After sales services is cornerstone all HMC operations
Our main target is the services given to our customers meaning continuity of the service from the time of placing the order to the supply and delivery of the material.

MARBLE

Waterjet cutting machine with CAD / CAM software literally to cut into any shape

QUALITY CONTROL

Manual polishing

Capability to execute large projects and to ensure quality control is a cornerstone of HMC performance

HMC is equipped with the most advanced machinery and latest technology currently available in the market including slabs processing machines , polishing or flaming machines water jet profiling and splitting machines as well as other modern detailing machines available to fulfill further projects requirements .

ASSEMBLED MOSAIC FLOOR PATTERN

Our engineers and designers work with architects and project managers to ensure prompt delivery of order and meet exact specifications .

DESIGN / Distinguished by its exceptional design team ,HMC provides design solutions for any size of project through the assistance of an experienced staff of engineers and designers who can produce shop drawings and solutions to any probable modification in the project . Thanks to the help, cooperation and dedication of HMC staff which lead the company to be very successful and highly competitive.
